Wenger's names new Egg Production Manager

Rheems, PA (February 14, 2003) – Wenger's Feed Mill, Inc. recently named Gene Petit Egg Production Manager for its Dutchland Farms egg production and layer services division.

Gene Petit has worked for Wenger's for five years most recently as service coordinator for Dutchland Farms. Gene holds a degree in Poultry Science from Penn State University and has 22 years of experience in the poultry industry. In his new position, Gene will oversee all aspects of egg production for Dutchland Farms.

Dutchland Farms contracts egg production and also operates laying hen complexes in Columbia, Fredericksburg, Hegins, and Mount Joy, Pennsylvania. In conjunction with many contract producers, Dutchland produces over 5.2 million cases of nest run eggs yearly.

Wenger's, a family-owned and -operated company founded in 1944, is a major supplier of poultry and swine feeds in the Mid-Atlantic States. Wenger's has mills in Rheems, Mount Joy, Shippensburg, Muncy, and Spring Glen, Pennsylvania and Massey, Maryland.
